PADLOCKS

PADLOCKS

Discover **Silca Padlock** range: a complete and versatile collection designed to meet every security need, from everyday residential use to professional applications. Crafted with high-quality materials and engineered for durability, Silca padlocks deliver reliable protection you can trust in any situation.

Built to perform, each padlock features hardened, chrome-plated steel shackles, double-locking systems and anti-picking pins to ensure maximum resistance against tampering. Weather-resistant finishes and stainless-steel internal components provide long-lasting performance even in demanding environments.

The range includes a wide variety of models—from lightweight combination locks for travel to heavy-duty solutions for gates, shutters and industrial use—offering flexibility and choice for every customer. Selected models are TSA-certified, making them ideal for international travel.

Supplied in practical, ready-to-display packaging, Silca Padlock is more than security: it's a smart, professional solution designed to attract attention, inspire confidence and invite customers to explore the full range.

I.AM

I.AM RESIDENTIAL REMOTES

Discover **Silca i.am residential remote** controls, the complete solution designed to elevate professional duplication services for garage doors, gates, barriers and awnings. With coverage of over 130 brands and 900 models, i.am ensures unmatched compatibility across the European market, supporting both fixed and rolling code systems as well as advanced 128-bit technologies.

Engineered for efficiency, the range features the exclusive 4-LED guide and the intuitive i.am Pro app, enabling fast, safe and step-by-step duplication—even without the original remote. Bluetooth connectivity, NFC integration and dedicated programming tools deliver a seamless, future-ready workflow.

Designed to stand out, i.am remotes combine ergonomic shapes with a textured finish and are available in six modern, eye-catching colours, offering a professional look that can also be customized with your brand. Made in Italy and CE compliant, Silca i.am is the smart choice for reliability, performance and style in every key shop.

SILCA POINT

SILCA POINT

Discover **Silca Point**, the smart shop solution designed by professionals for professionals. Built on Silca's unmatched expertise in key duplication, this modular and heavy-duty furniture system transforms any workspace into a highly efficient, organized and visually appealing service area.

Silca Point combines functionality and design in a single concept: a fully customizable workstation that adapts to your business needs. Its modular structure allows endless configurations—linear or corner layouts—so you can start small and expand over time, creating a workspace that grows with you.

Ergonomics and practicality are at the core of every detail, ensuring a faster, smoother and more profitable workflow. At the same time, a wide range of finishes and colours—from classic Silca red and black to modern shades like pistachio green, pastel blue or elegant wood effects—lets you express your brand identity and stand out in-store.

Robust, flexible and reliable, Silca Point is more than furniture: it's a complete retail experience designed to attract customers, enhance professionalism and turn your shop into a true reference point for high-quality key duplication services.
